## education

---

2017	<b>Masters</b> of Philosophy (Computer Science) <i>X10ABOT: The Modular, Extensible, Scalable Robotics Platform.</i>	The University of the West Indies, Mona
2007	<b>Bachelor</b> of Science Computer Science & Electronics ( <i>Double Major</i> )	The University of the West Indies, Mona
2019	<b>Chaincode Labs</b> Completed the Chaincode Cryptocurrency (Bitcoin Lightning Network) Seminar	New York, New York, U.S.A. (Online)

## Technological Skills

### Artificial Intelligence:

- **Large Language Models (LLMs):** OpenAI API, Gemini, Claude, Ollama(LLaMA3, Mixtral)
- **Media Generation: Image** (Flux, Stable Diffusion, Dalle-E, Midjourney), **Audio** (ElevenLabs, Suno, Sonato, Udio), **Video** (Runway Gen-3)
- **Chatbots:** RAG, Conversational, Multi-Agent, AnythingLLM
- **Coding Tools:** Cursor AI, Github Copilot.

### Languages:

- **Proficient:** PHP(Symfony, Drupal), JavaScript(ES6, React), Python(Flask, FastAPI), CSS(Tailwind, Bootstrap, SASS/SCSS), Bash, Dart(Flutter Framework), SQL.
- **Capable:** React Native, Haskell, Assembly, Swift, ObjectiveC, C++, Embedded C.
- **Basic Proficiency:** ASP, Matlab, VB6, Perl, Ruby, BASIC.
- **Applications:** L.A.M.P, A.W.S. Emacs, Vi, grep, sed, awk, Chef, MongoDB, PostgreSQL,  $\LaTeX$ , Drupal, Wordpress, Figma, Adobe Design Suite, Git, Mautic.
- **Drupal Specific:** Drupal 4.7 - 10.x Solr, Drush, Panels, Ctools, Context, S.E.O, Display Suite, Workbench, Rules, Commerce.
- **Hardware Applications (Proficient):** Arduino, Raspberry Pi.
- **Writing content and creation:** Copywriting (Ads, Landing Pages), Content Marketing for SEO, Video editing, Audio Editing, Graphic design, social media.

## online profiles

I am active in a number of online communities:

## interests

**professional:** Artificial Intelligence, Web development, Internet Marketing, writing, Linux and Devops, training, project management, UX design, mobile development, on-site searching, application architecting, marketing, idea brainstorming, embedded development, automation, robotics, telemetry, electronic security, computer and social networking, computer hardware

**personal:** hiking, guitar, physical and audio books, photography, videography, music, no-till organic farming, podcasts, cooking, football(soccer), long-distance running, nutrition.

## communication skills

---

- 2013 - Now    **Articles on Medium.com**    Topics: Remote work, entrepreneurship, productivity, motivation  
<http://medium.com/@frazras>
- 2013    **Oral Presentation and Written Paper** IEEE South East Conference 2013, Jacksonville, Florida, U.S.A  
Presented the research I conducted for my Masters of Philosophy degree.

## useful assets

- United States Non-Immigrant B1/B2 Visa
- Caribbean Single Market and Economy(CSME) certificate
- Driver's License
- Sense of Humor

## active and semi-active side projects

- Nalij - Article Narration Application Nalij Website
- Exterbox finance blog
- SDA Hymnal mobile app (over 100K downloads)
- Etsy Ecommerce shop (over 2400 sales)

## notable past client projects

- University of California, Los Angeles (UCLA)
- TripAdvisor
- Lowes
- American Golf Corporation
- University of the West Indies
- Indiana University
- Duke University
- Stanford University

## recent books read

- 10X is easier than 2X, Infinite Game, Hyperfocus, The Passion Paradox, 80/20 Running
- Mindset, The One Thing, Grit, Sleep Smarter, Faster Than Normal, The Bitcoin Standard
- The Power of Broke, Capital in the 21st Century, 12-week year, The 4-hour work week
